

Partner Agencies

Dear Agency Representative,

As part of our contract with Feeding America we are required to provide Safe Food Handling information to all of our Agencies. In an effort to continue to protect our clients and provide them with safe food we are now requiring all Member Agencies to have at least one person per program take the new California Food Handlers test. This is an online training that takes approximately 60-90 minutes to complete. There is a 40 question test that must be passed with a score of 70 percent or better to receive your certification.

The California Food Handler course is currently available online only. The cost is \$10. It is available from ServSafe, www.safewayclasses.com. The class is offered in both English and Spanish.

After successfully completing the test you will be able to immediately print out a California Food Handler Card. Please email, fax or mail a copy of this card or the certificate of achievement to us with the name of your Agency and program so that we may put a copy in your file to show you have completed the course. This is a requirement prior to becoming a new active Agency. You may fax your certificate to 707-523-7901 or email it to me at lhernandez@refb.org.

If you have any questions, please call me at 523-7900 x128.

Kindly,

Lina Hernandez
